User Stories for StoryHub

As a Visitor (Non-Registered User):

1. **View Stories**
   - **User Story:** As a visitor, I want to browse and read stories without logging in, so that I can enjoy content without commitment.
   - **Acceptance Criteria:**
     - Visitors can view all stories on the homepage and through search results.
     - Each story page provides complete story content, author details, and category.
2. **Access Public Profiles**
   - **User Story:** As a visitor, I want to view profiles of authors to learn more about them and explore their other works.
   - **Acceptance Criteria:**
     - Public author profiles are accessible without logging in.
     - Profiles include the author's bio, profile picture, and a list of published stories.

As a Registered User:

3. **Register/Login**
   - **User Story:** As a new user, I want to easily register or log into my account, so I can start interacting with stories and other users.
   - **Acceptance Criteria:**
     - The registration process requires minimal fields: username, email, and password.
     - After registration, users can log in with their credentials.
4. **Create Stories with AI Help**
   - **User Story:** As a registered user, I want to use AI to help generate stories, so I can write with creative prompts and assistance.
   - **Acceptance Criteria:**
     - Users can initiate a new story from a template or a blank page.
     - Users can input names, genres, and a brief description to guide the AI.
     - The AI generates a story draft based on provided inputs.
5. **Edit and Delete Stories**
   - **User Story:** As a registered user, I want to edit or delete my stories, so I can manage my content post-publication.
   - **Acceptance Criteria:**
     - Users have the option to edit all aspects of their stories post-publication.
     - Users can delete their stories, with a confirmation prompt to prevent accidental deletions.
6. **Comment and Like Stories**
   - **User Story:** As a registered user, I want to comment on and like stories, so I can engage with content and interact with the community.
   - **Acceptance Criteria:**

- Users can post comments on stories.
- Users can like stories, with the like count updated immediately.

7. **Bookmark Stories**
   - **User Story:** As a registered user, I want to bookmark stories I like, so I can easily find them later.
   - **Acceptance Criteria:**
     - Users can add stories to their bookmark list with one click.
     - Users can view their bookmarked stories in a dedicated section of their profile.

8. **Manage Profile**
   - **User Story:** As a registered user, I want to update my profile, so I can share up-to-date information about myself with the community.
   - **Acceptance Criteria:**
     - Users can update their profile picture, bio, and personal information.
     - Changes are saved immediately and visible on the user's profile.
